HALFTIME SHOW ASSET

year

2024

my role

lookdev, animation

company

twisted tea

credits

art direction

thiago nunes

info

twisted tea was the sponsor for the 2024 Grey Cup Halftime Show and 647 media contacted me to create an animated 3d asset they could use in the video they were animating for the client, so we decided for a 360 animation of their can to provide flexibility for the editors and quickness to deliver, as it took only two days from contact to render.
